

Call for Abstracts

AANS/CNS Joint Cerebrovascular Section ANNUAL MEETING

Programming in conjunction with SNIS

**February 4-5
2019**

**Sheraton Waikiki Hotel
Honolulu, Hawaii**

You are invited to submit abstracts in one of the following presentation categories:

Scientific Paper (Oral or ePoster Presentation)

Scientific Poster (ePoster Presentation Only)

Refer to detailed descriptions of these abstract presentation categories below. Authors are invited to submit abstracts for works not previously published or presented.

Submission topic areas are:

- Ischemic Stroke
- Aneurysm/Subarachnoid Hemorrhage
- Intracranial Hemorrhage/Critical Care
- Vascular Malformations
- Basic Science

Promotion of Commercial Products

The AANS/CNS Joint Cerebrovascular Section must ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. It is an ACCME requirement that audiences at educational programs for which continuing medical education hours are awarded be informed of a presenter's academic and professional affiliations, and the existence of any significant financial interest or other relationship an author or co-author has with the manufacturer(s) of any commercial product(s) or services. Any such relationship must be disclosed.

Online Abstract Submission Site

The Online Abstract Submission site will accept abstracts from Monday, September 24 to 11:59 pm (CDT) on Friday, November 2, 2018. Authors are encouraged to submit abstracts early.

Call for Abstracts

AANS/CNS Joint Cerebrovascular Section
ANNUAL MEETING

Programming in conjunction with SNIS

Presentation Categories

NOTE: Any abstract submitted may be accepted either for oral presentation or as an e-poster unless the “ePoster Presentation Only” category is chosen.

Abstracts should describe what attendees should know or learn after hearing/reviewing the presentation.

Scientific Paper (Oral Presentation)

An oral presentation that summarizes the details of original investigative research. Required abstract format: Introduction/Purpose, Materials and Methods, Results, Conclusion.

Scientific Paper abstracts may include one graphic file with a maximum of two images.

ePoster (Electronic)

An electronic presentation of scientific studies that summarizes the details of original investigative research. Required abstract format: Introduction/Purpose, Materials and Methods, Results, Conclusion. Please note that these are interactive electronic posters, not PowerPoint presentations. Authors who are accepted for this ePoster format will have a secondary ePoster submission process with associated deadlines to display their work electronically in a searchable ePoster Viewing site.

Abstract Submission Instructions

Abstract Submission Criteria

Text:

1. Published or previously presented works should not be submitted.
2. Submit abstract in one category only.
3. Format abstract text using headings required for submission category.
4. Maximum length: 300 words; Graphic file equals 100 words; Table equals 50 words.

Graphics – For each abstract submitted:

1. Only one graphic file with a maximum of two images is permitted.
2. Required Graphic file resolution is 300 dpi or greater.
3. Maximum size of printed file is 3 in. by 3 in.

Note: A submitted graphic that is larger than the required size will be reduced accordingly, which may significantly reduce the quality of the graphic.

4. Only jpg or gif formats are accepted online.

DEADLINE – Submit your abstract online at <http://cv2019.cns.org> no later than 11:59 pm (CDT), Friday, November 2, 2018.

Important Information for All Abstract Submissions

1. Presenters of accepted abstracts must register for the AANS/CNS Joint Cerebrovascular Section Annual Meeting. Registration fees are required and not waived with acceptance.
2. Oral papers must be presented in digital format uploaded to our meeting server if accepted. (No personal PC or Mac may be used from the podium.)

Abstract Disposition Notification

Abstract disposition notification will be sent via email in early December 2018 following peer review.
